

◆ EXPERIENCES

Komi Barcelona . Spain
UX & UI Designer · Feb 2022 - Jan 2024

Developed and implemented the app's design system, encompassing visD, interaction, user flows, and motion design. Built the component library and established guidelines for consistency.

Fusiun Nice . France
UX & UI Designer · Dec 2020 - Feb 2022

Executed user research, including conducting interviews with potential users and analyzing results, to inform the app's art direction and visD.

Contibau GMBH Berlin . Germany
UX & 3D Designer · Jun 2020 - Nov 2020

Managed client accounts for interior design renovation projects and provided 3D designs. Also, redesigned the company website.

Sahar Jaberian Paris . France
Product Designer · Nov 2019 - May 2020

Overhauled brand's supply chain system for green initiatives, resulting in a sustainable fashion collection that demonstrated brand's commitment to eco-consciousness.

Star lighting.co Iran & China
Product Designer · Jun 2013 - Apr 2017

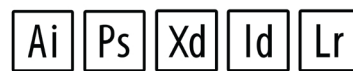

Managed end-to-end production of lighting fixtures and chandeliers, from research and sketching to 3D modeling, prototyping, and finalizing the end product.
